

# PlayHorny Game Management Regulations

For players' own rights, please read these game management regulations carefully before playing. Players must familiarize themselves with the following game management regulations. By playing the games on the platform, players agree to and are willing to comply with these regulations.

## I. Basic Provisions of the Game Management Regulations

1. PlayHorny Platform (hereinafter also referred to as the "Platform," "we," or "us") holds the final interpretation right of the Game Management Regulations (hereinafter also referred to as the "Regulations") and has the authority to formulate, change, or delete the content of the Regulations. If there are any formulations, changes, or deletions of the Regulations, they will be revised on the Platform website or within the games. Players should regularly check and adhere to these Regulations. If players have any objections, they should raise them within 7 days after the announcement. Please note that this does not mean that the Platform must obtain players' consent to formulate, change, or delete the Regulations. If you do not agree with the revised or deleted content, please do not continue using the Platform's website and its game services. If players continue the above behavior after the form

ulation, changes, or deletion of the Regulations, they are deemed to have agreed to the revised Regulations.

2. Players must apply for an account with their own email address. If there are any issues with the account, the customer service team will have to contact the player through the registered email for confirmation. If a player is unable to do so, they will not be considered the owner of the game account and thus cannot claim any subsequent rights to the account.

3. Players are responsible for safeguarding their own accounts and passwords and should not share them with others. We are not liable for any disputes or losses arising from account theft or misuse. For any illegal issues, players should immediately report them to the relevant authorities. We will provide the necessary data to judicial authorities as required by law for investigation and evidence.

4. In accordance with the Personal Data Protection Act, player's personal information is protected. If a player cannot prove ownership of an account, they cannot claim any rights to that account. Additionally, they cannot request the Platform to take certain actions such as account suspension, freezing, or a ban. Without a request from judicial authorities, the Platform

m will not provide any game histories to players. If players require such information, they must first report the case to the police and await further instructions from the authorities.

5. To respect players' autonomy, we do not intervene in player disputes. Players should resolve disputes among themselves respectfully. For any violations against the Game Management Regulations, it will be handled according to the Regulations.

## **II. Penalties for Improper In-Game Behaviors**

### **1. Regulations on In-Game Speech:**

1. It is forbidden to create characters with inappropriate names or symbols, e.g., obscene language, words against social morality, references to pornography, personal attacks, etc.

2.
